II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

PLAINTIFFS 'MEMORANDUM IN SUPPORT OF
THEIR MOTION FOR PRELIMINARY INJUNCTION

On June 7, 2018, during an interview at the ICE office located on Saipan Island in Marina Heights II, an ICE "special agent" Everette Route illegally confiscated my only identification and travel document - Russian passport. Instead of a passport, he gave me a copy with a signature and seal (see attached).

This action is a violation of my constitutional right of freedom of movement and also Civil Rights Act.

Freedom of movement under United States law is governed primarily by the Privileges and Immunities Clause of the United States Constitution which states, "The Citizens of each State shall be entitled to all Privileges and Immunities of Citizens in the several States." Since the circuit court ruling in *Corfield v. Coryell*, 6 Fed. Cas. 546 (1823), freedom of movement has been judicially recognized as a fundamental Constitutional right. In *Paul v. Virginia*, 75 U.S. 168 (1869), the Court defined freedom of movement as "right of free ingress into other States, and egress from them."

Without passport I cannot leave CNMI. No charges were brought against me, no judge, no jury decided to restrict my movement. This action was done without any reason and justification. I believe this is a violation of the US Constitution on unusual and cruel punishments. This organization (ICE) has been repeatedly accused of human rights violations and in this case ICE acts as a terrorist organization, and ICE keeps me here as a hostage.

In July 2020, I decided to leave CNMI and no longer claim for the withholding of removal status due to my personal reasons. I was planning to leave CNMI on August 10, 2020 when there was a Saipan-Seoul flight.

In order to obtain my travel document, I applied to both ICE offices in person in July 2020. ICE staff in office located in Marina Heights II questioned me, but refused to return my passport, linked to a "procedure". Employees of ICE in office located in Gualo Rai told me to contact the USCIS Los Angeles asylum office. I filed my request to the USCIS Los Angeles asylum office in July 2020 by regular post and multiple by e-mail, I sent them all the necessary documents (see attached). They only replied to me on September 15 by e-mail that they do not know when they will be able to organize my dismissal interview, which is necessary for "procedure" of returning my passport (see attached). And they have not done anything until now. I also emailed the DHS head (see attached) and the US general attorney to return my passport. I also addressed this question to the CNMI immigration court (see attached). I received no response to my requests.

Thus, my constitutional right of freedom of movement is violated.

It is inherently a violation of the constitution and civil rights law. The passport must be returned regardless of the dismissal interview and regardless of my desire or unwillingness to apply for asylum in this country and any other conditions. I would like to have my travel and identification document with me. There is no law that allows officials to steal documents from citizens for an indefinite period without a court decision. If we imagine that such a law exists, then it would be in conflict with the US Constitution and

should be immediately canceled by this Court.

Rather than suggesting that I legally fight the total DHS lawlessness and neglecting, a respected Court should acknowledge that my passport was stolen illegally, in violation of the Constitution and Civil Rights Act, and oblige ICE to immediately return my passport to me.

Does this court consider that my passport was legally confiscated and what laws allow US government officials to steal passports from citizens, restrict their constitutional rights without a court decision?

I am not referring to the fact that HDS / ICE / USCIS violates the Administrative procedure Act, but I am referring to the fact that HDS/ICE/USCIS violates the US Constitution, therefore this court has jurisdiction over this case from the very first day when "special agent" Everette Route has stolen my passport. Constitution is Supreme than Administrative procedure Act or any another law.

In 1971, in a case called *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, the Supreme Court ruled that, even though there was no law specifically allowing it, the federal courts could decide to award damages to people whose rights were violated by federal government officials.

Also, State sovereign immunity does not extend to cases where a plaintiff alleges the state's action is in violation of the federal or state constitution. In *Department of Revenue v. Kuhnlein*, the Florida Department of Revenue claimed that sovereign immunity prevented plaintiffs from bringing a case that alleged that a tax violated the Commerce Clause and, furthermore, that if the tax was unconstitutional, the refund request could not be given because it did not comply with state statutes for tax refunds. The Florida Supreme Court *Department of Revenue v. Kuhnlein*, 646 So.2d 717, 721 (Florida Supreme Court 1994) rejected those arguments, stating: "Sovereign immunity does not exempt the State from a challenge based on violation of the federal or state constitutions, because any other rule self-evidently would make constitutional law subservient to the State's will. Moreover, neither the common law nor a state statute can supersede a provision of the federal or state constitutions. "

To require me to wait and go through some procedures and interviews so that I can exercise my fundamental right is already an illegal demand and must be canceled by this court.

The whereabouts of my passport are unknown. Officials refuse to give me this information. Perhaps my passport has been lost, destroyed or used for some illegal activity. Perhaps they never intend to return it to me at all and are going to keep me on this island as a prisoner, hostage and slave until I die. Which will happen very soon considering the conditions in which I live. And this court is acting as a lawyer for DHS/ICE/USCIS, allowing them to carry out their plan to kill me without even arranging a hearing.

Six months is more than enough time to return a person's passport if there is a desire to do so.

Six months of illness, suffering, loneliness, hopelessness, humiliation, depression. After that, the United States will tell the whole world about the observance of human rights? If this is not a violation of human rights, then what is the violation? Only a few countries, including communist North Korea and Cuba, are forcibly keeping people on their territory and not letting them go abroad. Is the US now equal to these countries? The New US president will be very wondered that Federal District Court in CNMI allows ICE to violate US Constitution (what is Supreme law of State) and keep hostages and slaves on Saipan island.

I WILL SUFFER IRREPARABLE INJURY ABSENT AN INJUNCTION

If this Court does not grant this injunction, I will suffer irreparable injury to my bodily and mental health.

This situation endangers my life and health because I do not have a work permit despite I filed application for EAD almost two years ago, I do not receive any help and I have no means of subsistence despite I sent multiple application to USA Social Security Administration.

For the period from August 10, 2020, when I was planning to leave until today, due to the impossibility of leaving as a result of the illegal restriction of my constitutional rights and civil rights

I have experienced and are experiencing the following irreparable harm:

This is depression (see attached).

This is Epididymitis due to the fact that I live on the street, where it is humid, where there are drafts, where I have no opportunity to wash clothes and maintain hygiene (see attached).

I am being Attacked by flies, lizards running over my body, ants;

Urination problem showed up;

Humiliations, deprivations, hunger, sleeplessness, hunting fears;

Feeling small and lost, erased trust in government agencies's fairness, feeling left behind and forgotten., denial of support from federal and local government agencies.

Damage to my digestive system due to the fact that I am often hungry and do not have the opportunity to regularly eat normal food. Damage to my teeth due to the fact that I cannot brush them regularly.

Damage to my shape: excess fat, loss of muscle mass.

Reduced life expectancy due to this health hazard.

These are my injuries and stress as a result of the attack on me because I do not have safe place to stay (see attached).

Due to the inability to leave, my health condition may further deteriorate until my death, and this injury cannot be quantified, no amount of money damages is calculable, and therefore the harm cannot be adequately compensated and is irreparable.

In addition, if they do not immediately return my passport, then it will expire, which will mean that I will never be able to leave CNMI at all, which essentially means life imprisonment for me. Which is also irreparable harm.

The another factor showing irreparable harm to me, i.e., the denial of my constitutional rights, also shows why the public interest is furthered by an injunction.

See *id.* (noting that the irreparable harm and public interest “merge” when the government is a party). “[T]he public interest lies in a correct application of the federal constitutional and statutory provisions.

I AM LIKELY TO SUCCEED ON THE MERITS OF THEIR COMPLAINT

To satisfy the first prong of the preliminary injunction analysis, I am not required to demonstrate that I will succeed on the merits at trial. Nor am I required to demonstrate that I will probably succeed on the merits of my claims. I must only demonstrate that the legal issues I raise are substantial enough to constitute “fair ground [s] for litigation and thus [require] more deliberate investigation.” *Roth v. Bank of Commonwealth*, 583 F.2d 527, 537 (6th Cir. 1978). This Court must only “satisfy itself, not that the I certainly have a right, but that I have a fair question to raise as to the existence of such a right.” *Brandeis Machinery & Supply Corp. and State Equipment Co., v. Barber-Geene Co.*, 503 F.2d 503 (6th Cir. 1974) (citing *American Federation of Musicians v. Stein*, 213 F.2d 679, 683 (6th Cir. 1954), cert. Denied, 348 U.S. 873, 75 S. Ct. 108, 99 L. Ed. 687 (1954)). “It will ordinarily be enough that the plaintiff has raised questions going to the merits so serious, substantial, difficult and doubtful, as to make them a fair ground for litigation and thus for mere deliberate investigation.” *Id.* (citing *Hamilton Watch Co. v. Benrus Watch Co.*, 206 F.2d 738, 740 (2nd Cir. 1953)). My constitutional claim meet this standard.

GRANTING AN INJUNCTION WILL NOT CAUSE SUBSTANTIAL HARM TO OTHERS AND IS IN THE PUBLIC INTEREST

Consequently, the public interest here favors issuance of a preliminary injunction for reasons similar to those discussed with respect to the other preliminary injunction factors: “[E]nforcement of an unconstitutional law is always contrary to the public interest.” *Pursuing Am.’s Greatness v. F.E.C.*, 831 F.3d 500, 511 (D.C. Cir. 2016) (quoting *Gordon v. Holder*, 721 F.3d 638, 653 (D.C. Cir. 2013)); see also *League of Women Voters v. Newby*, 838 F.3d 1, 12 (D.C. Cir. 2016) (“There is generally no public interest in the perpetuation of unlawful agency action.”). There is in fact a “substantial public interest in having governmental agencies abide by the federal laws that govern their existence and operations.”

Also now during pandemic of covid-19 being homeless I cannot maintain necessary antiepidemic measures including CNMI curfew what is increasing risk of transmission of covid-19 what is not in public interest.

In decision, I ask you to take into account the precedent case of *Yolanda U. Denieva v. Charles Reyes* 966 F.2d 480. At least in case that Court decided, that immigration service cannot violate US Constitution in part of freedom of movement.

CONCLUSION

For the foregoing reasons, this Court should grant my Motion for Preliminary Injunction and oblige CNMI ICE field office immediately to return me my Russian passport without any conditions.

As well as Declaratory relief - to recognize ICE's practice of confiscating foreign citizens' passports, as well as forcibly retaining foreigners in the United States as violation of the US Constitution, Civil Rights Act, Universal Declaration of Human Rights and commonsense, and to prohibit to ICE doing this activity. Such practices are more in line with the practices of ISIS, Gestapo, KGB, Banana Republic, and not a state that claims to be free and democratic.

If a thief steals your property, then you can go to court or must first write letters to the thief and ask him to return your property and you cannot go to court until the thief wakes up his conscience and decides to return the decorated by himself?

Request for Dissolution of Credible Fear Process

- - DECLARATION OF ALIEN - -

I, Denis Uvarov, A-number 216121005, have decided to stop pursuing protection from removal through the credible fear process, and to leave the United States as soon as travel arrangements can be made. I have made this decision freely and voluntarily based upon my understanding of the following, which was explained to me by an asylum officer:

- I was placed into the credible fear process upon seeking admission to the United States, because I expressed a fear of harm upon return my country.
- I have the right to ask for protection from removal based on fear of return through the credible fear process.
- If I do not ask for protection from removal at this time, the Immigration and Naturalization Service (INS) will either permit me to withdraw my application for admission, or issue an order of removal against me and bar me from reentering or seeking admission to the U.S. for five (5) years or more. If I have engaged in fraud or misrepresentation of a material fact, or a false claim to U.S. citizenship, I will be permanently inadmissible to the United States.
- If I change my mind at any time prior to my final departure from the United States, I can again ask for protection from removal through the credible fear process by immediately notifying an INS officer that I wish to seek asylum, even if I stop pursuing my request for protection at this time.
- The reason that I have decided to not to ask for protection at this time is:
(A stated reason must be recorded below. Attach extra pages if necessary)
I do not want to wait and I want to go back to my country

Dear Los Angeles asylum office.

This is Denis Uvarov. I am currently in removal proceedings under INA 212 (a)(7)(A)(i)(I), file number 216-121-005.

As I already informed you during the last three months, I want to leave your hospitable country and no longer need the so-called protection, because I rather need protection from your country, from your racism, negligence and arbitrariness. You informed me that before I can receive my passport, which is my only travel document, I must pass a dismissal interview. Which you cannot and do not want to organize within a reasonable time frame. Your colleagues from ICE do not give back my passport without dismissal interview in your organization.

In this regard, I want to remind you once again that I want to leave your country and for this I need to pass all your required procedures which you do not want to organize.

I want to inform you that I filed lawsuit to federal court against your organization. I also want to inform you that I have no work permit in your beautiful country and no means of subsistence. In this regard, I experience moral and physical suffering, because I am actually homeless, I have nothing to eat, there is no way to maintain normal hygiene, I have depression, and I also got some kind of infection. Also the typhoon season is coming and staying in CNMI I risk dying being homeless, because of your fault. You are forcibly keeping me in your country. All this will be brought to the attention of the judge. You are violating the 1967 Refugee Protocol and the Declaration of Human Rights. All of this will be brought to the attention of the judge. You thus endanger my life and health. Due to being in your country, my health is getting worse every day, and my depression is getting worse. I also have risk to get infected by COVID-19.

The longer you keep me forcibly in your country, the more I will demand compensation from your organization. Your inaction will lead to wasting your taxpayers' money.

Given the above circumstances, are you going to take SOON any action (dismissal interview) so that I can obtain my travel document and leave your country?

My name is Denis Uvarov. I am currently in removal proceedings under INA 212 (a)(7)(A)(i)(I), file number 216-121-005. I am now on the Northern Mariana Islands. I do not need anymore anything from United States of America and I want to leave this country, but ICE confiscated my passport and doesn't give back. They tell that I must pass a dissolution interview first, but nobody schedules this interview. I believe that DHS unlawfully restrict my freedom of movement and violates Refugee Protocol 1967. Please, return my passport.

To Saipan Immigration Court
from Uvarov Denis, Russian citizen
A-number 216 121 005

Motion to oblige department of Homeland Security Immigration and Customs
Enforcement (ICE) to return my Russian passport.

Honorable Court, I had to fly from Russia to CNMI on November 29, 2017.

I addressed to the local office of ICE of DHS for political asylum. While waiting for
proceedings my plans have changed. I do not want to an asylum applicant anymore.

I informed of my wish to go home on July 10, 2010. For the whole month I cannot get
my passport back. The passport had been taken by ICE illegally because it is my
identity document and this is Russian government property.

I addressed LA asylum Office – the Federal level of DHS/ICE but nobody has given
back my passport. .

I need Saipan Immigration Court to oblige ICE to return my passport. ,
